Questions

What do you feel for me?

What do I really mean to you?

Are you doing all this for only pity?

Or is it just because I want you to do it?

What do you really feel?

Are you taking it as a game, or are you serious?

What do you want from me, that you're able to hurt me this bad?

Why are you doing that?

Is it fun; are you happy about it? That's you're able to make me feel so bad because of you?

That I cry myself to sleep, because of you?

It hurts to know that she's with you now, spending the nights with you and to know that she has everything I shouldn't own.

It feels like I'm not able to breathe when I realize the Knife that's stabbing me in the chest.

Because of you, I don't know what I want to do.

I hesitate in my decisions that I have planed for the future.

I fall into a dark hole, and I think that it would be better for me if everything was over.

That's not normal, that's wrong.

And that's only because of you.

Do you like to give me wrong hopes and ideas?

Is it fun, to play games with me?

If you mean something you said serious....why don't you prove it to me?

Why don't you just prove it?

Or is she so important and special to you?

Is your life with her, more important?

Why, then, why are you doing this to me?

What's the meaning of everything then?

Or are you just pleased to have two women?

Able to ignore the feelings each one of them might have?
