## Mirror Mirror On The Wall

Mirror mirror on the wall,  
I don't want the most beautiful of them all.  
I don't want the ugliest, too.  
Beautifulnes comes from soul.

Mirror mirror on the wall,  
show me one girl of them all.  
One girl not super-nice,  
not of a special size.

Mirror mirror on the wall,  
she shouldn't have a waist to tall.  
I will trust her and look in her eyes,  
I will bask in her, sometimes.

Mirror mirror on the wall,  
She should just be a simple girl.

Mitgeholffen hat mir meine Becci-chan^^
