

Love...

Love...

Kind of a **bittersweet symphony**,
Once you've heard and felt it,
You're **fascinated** and **afraid** at the same time,
Fascinated of its **warmth** and **strength**,
Afraid of loosing it on the spot!

But **go ahead**!
Don't be afraid!
Stop thinking that much,
It just makes your head is aching!

Love may give you new power,
when you're feeling down!
Love may last **forever**...!

*Why not giving **love** another chance...?!*
