Kapitel 26: Counting

I cannot count the tears I've cried.
I cannot count the dreams I've died.
I cannot count the reasons why
As I can't count stars in the sky.

Can't count the times I faked a smile.
Can't count the times I slept a while.
Can't count the times I burst in tears
As nobody can't count my fears.

Can't count the scars on my chest.
Can't count the heart-rooms full and messed.
Can't count the songs I wrote for me
As screams of help: I WANT TO BREAK FREE!
