

# 51 - 49

## Zemyx?

Von Kirschli\_Kuchen

**Title:** 51 - 49

**Author:** Kirschli Kuchen

**Players:** Zexion; Demyx

**Disclaimer:** I don't own anything.

**A/N:** My eye hurts...

--

Sometimes my right eyeball hurts so much I just wanna rip it out.

I like splitting pain much more than this dull one. At least it ends as abruptly as it begun.

But I don't cry, never cried...

...until the day he left my life forever, never to come back.

*Demyx*

--

I wouldn't – *couldn't* – leave him. Ever.

But why did I do it then?

He had upset me. Hurt me. And I still forgave him.

But it wasn't the cause.

It was because he said he can't love me like I love him.

That's why I left for good.

*Zexion*

--

It may be a little strange but the first part was Zexion (51 words) and the second Demyx (49 words)... but maybe it doesn't matter at all...
