Hey Thank you for the reviews didn't think I'd get any.

I forgot in the last chapter disclaimer: nothing is mine

EPOV

I knew that I was dreaming, first because I was nearly 100% sure that I was really in my parents house in forks but what I saw in my dream was the club in Phoenix I think it's called At.

I went there over a month ago, because Alice, my sister, thought that I could use a vacation and dragged me and her boyfriend Jasper to Phoenix.

Second because I saw her again. The girl of my dreams. (I mean it) It was like a deja vú. I was back at the club (It was exactly like the night when I had met her) and talked to Alice and Jasper.

Then there she was, the beautifulest Girl I've ever seen. Brown hair and eyes and she was slowly walking towards me (she looked a little drunk, too) and my heart rate sped up.

Suddenly I was back in my bed a look at my watch told me that it was 3 AM on my fist day of my senior year in Forks High school.

I could not stop thinking about the girl. I was half in love with her. And I was sure that I would never see her again.

APOV

I woke up at 3 AM I could hear Edward moving in the next room.

I bet he had a dream about this girl again. Since we got back from Phoenix he woke up often in the middle of the night. I knew that he had slept with her, (I wasn't stupid)

she was somehow special for him. Like he couldn't stop thinking about her.  
I tried successfully to go back to sleep.  
I had a feeling that this day would be one with a big surprise.

I slowly walked to my first class, sadly I was the only one of my friends in this class.  
On the way I hit someone. I looked up. No way it was Edwards-girl. She looked at me a little shocked, said "sorry" and started to walk away but I stopped her.  
"Hey, wait a minute. I'm Alice Cullen. Who are you. Are you the new Girl everybody is talking about? Do you want to sit with me and my friends at lunch?" She looked shocked. Okay maybe I was a bit hyper but no one has ever been shocked by that  
"I'm Isabella Swan, but I prefer to be called Bella. Yes I'm the new Girl. And I want to sit with you at lunch but I have to go now or I'll be late for my English class." She said blushing.  
"Okay, later." I said and walked to my class.

When she got into the cafeteria I ran to her and hugged her.  
"Come on we get something to eat for you and you'll meet my friends." I said to her and after she got some food I dragged her to my table.  
"That's my boyfriend Jasper Hale and his twin sister Rosalie Hale." I said and pointed to Jasper and Rosalie I think she recognized Jasper.  
"And that's Emmett McCarty Rosalie's boyfriend." Now I pointed to Emmett.  
"So you are chief Swans daughter?" He asked and Bella nodded blushing. Emmett noticed.  
"Do you blush often?" She nodded again. He smiled cruelly.  
"I have the perfect name for you..... The blusher." And then he started to laugh really hard. That was just so typical Emmett. Bella chuckled and I, Jasper and Rosalie laughed along with Emmett.  
"You've done better Emmett, really. So Bella, normally my brother sits with us, too, but he has some work to do right now." I noticed that she froze. So she seemed to remember that I was with Edward in Phoenix.  
"You know we are twins but look nothing alike." I said and with that I dropped the topic and we talked about other things.

## EPOV

After lunch break I walked into my biology class and sat down at my desk.  
"Could you sign that please? My name is Isabella Swan." I heard a familiar female voice from the teacher desk.  
"Ah Miss Swan" Mr. Banner said. "you can sit with Mister Cullen over there."  
I didn't look up till she put her things down. I had heard about the new girl, Isabella Swan, chief Swans daughter.  
I looked up and stared into perfect brown eyes.  
"Hey aren't you the girl from Phoenix? What are you doing here?" I asked, she got red and passed out. I caught her before she could hit the floor.  
"Mr. Banner Miss Swan passed out."  
"Oh could you bring her to the Nurse Mr Cullen?" I picked Isabella up and carried her

to the Nurse.

"She passed out." I stated. "Oh maybe she didn't eat enough or something, lay her down." I laid her down and sat beside her.

The Nurse got out to grab something to drink for Isabella. After a little while she stirred and I asked.

"Could it be that you're pregnant?" She stared at me in shocked and passed out again. Oh god I meant it as a Joke. Could it be that she was pregnant.

Shit I didn't think that we had used a condom.

After what seemed like hours (Probably only minuets) she woke up again. "Are you pregnant?" I asked staring into her deep brown eyes.

"I think so... I took a test and he was positive but I didn't go to the doctor yet." She said getting red again.

"If you are really pregnant is it mine?" I wanted it to be mine okay it was hard to be parent in high school but I couldn't bear the thought that she could have slept with someone else.

"Yes, naturally!" I thought so because I knew that she was a virgin till we had sex.

"Okay my Father is a doctor I'll talk to him and he will make an appointment with the Gynecologist if thats okay with you. You could come over after school and we could talk about it."

"O...okay" She said. "Ehm do you have a mobile phone I have to call my dad end tell him that I won't go home after school."

"Sure." I said and gave it to her.

"Hello here is Isabella Swan can I speak to chief Swan?" She asked and then waited.

"Hello Ch...Dad ..... Yeah I just wanted to tell you that I'm going to the Cullens after school is that okay?..... I don't know.... Okay, do that .. bye ..... I love you, too." She handed me my phone back and said.

"By the way I'm Isabella Swan but please call me Bella."

"I'm Edward Cullen."

Thats it hope you like it took me only 4 hour to write it (Okay I watched some DVD while I wrote so technically it took me only 2 hours) from 8 PM to 12.05 AM. Review in English or German please.
