I don't know what to do if I go to you

I can't sleep I can't eat  
I need you to live  
without you there is no me  
please let your heart win  
and don't deny your feelings

B)

is it right what we do?  
why is our love wrong?

R)

Could you? Could you? Could you?  
hold me?  
Could you? Could you? Could you?  
kiss me?  
Could you? Could you? Could you?

2)

We are same  
we are different  
is it such a blame?  
they say we are on the wrong way  
we have to stop  
but we just waited too long  
they can't understand us

Don't listen to them  
Don't fear, my dear  
they'll never understand us  
they'll never let us live

but if we are together  
we'll fight 'til the end  
and then we'll be free!

Could you? Could you? Could you?

## Kapitel 2: Luna

It's hard to say goodbye  
to someone you really love  
it's hard to let go  
to someone you really need

I miss you so much  
I can't stand it  
I miss you so much  
just want to call you back

It's hard to understand  
that you'll never come back  
It's hard to understand  
that you never be here again

I would give everything  
to see you again  
but I know I can't

I just hope  
you now rest in peace  
without your pain  
I just have to stay here  
to live without you  
but trust me  
one day we'll see us again

So I fight everyday  
with the pain  
just for my dream  
to hold you in my arms again  
to feel your fur again

you were my lovely black moon  
but now your gone  
and I'm just in fear  
but trust me  
one day we'll see us again

and then I can breath again  
I can be happy again...

## Kapitel 3: Forbidden Love

I am a human  
and I need to be loved  
like everybody does  
I'm just like you  
on the chearch for the real love

I am her  
She is me  
we need to be loved  
to be accepted  
but you hate me  
'cause I'm different minded

Why can't you understand me?  
I'm a human too  
just like you  
why are you call it wrong?  
and tell me my love isn't strong?

In your opinion  
my love does not exist  
it's just a nightmare  
something what isn't real  
but you don't know it

I am her  
She is me  
we need to be loved  
to be accepted  
but you hate me  
'cause I'm different minded

I love to be touched  
on the neck  
I love to be kissed  
in the rain  
I love to be hugged  
if I'm scared

is that different than you?  
what makes your love  
more real than mine?

I am her  
She is me

we need to be loved  
to be accepted  
but you hate me  
'cause I'm different minded
