## My song

### My Angel

In this dark night  
When I was afraid and so alone,  
When I was yearning for somebody,  
Who stays at my side,  
You came to me.

In this burning dream  
When I was screaming like a child,  
When I was whimpering for a friend,  
Who will hold me so tight,  
You came to me.

**You came to me  
And you looked like an angel.  
Arms who saved me,  
Eyes who comforted me,  
In this dark and scary nightmare.  
Oh my guardian angel.  
My squire to the light.**

In this eternal fight  
When I was on the border to die,  
When I was searching for an angel,  
Who brings me back.  
You came to me.

In this deepest darkness  
When I felt my skin burning,  
When I cried for an angel's help,  
Who will rescue me  
You came to me.

**You came to me  
And you looked like an angel.  
Arms who saved me,  
Eyes who comforted me,  
In this dark and scary nightmare.  
Oh my guardian angel.  
My squire to the light.**
