My Real Me

Von MewMitsuy

My Real Me

I have to go in the lighth
Something in my live
Doesn't seem right
-no more
live is to short to waste
but all these yeares I stay in the dark
now I want to leave
want to live in the sun
I won't stay allone

Chorus:

I've got to do it and be who I am
I can't stand it any longer
I'm not the girl you think
I want to go the way I dreamed
this is the real me
I gotta show my real me
I still scared to leave the dark
But I won't give up
And I will go on
My live will change
And it's hard to see my world
slowly turn around
I will follow my dream, couse this is my real me!
This is my real me

I allway was a littel shy
scared to say my mind
I won't follow your dream
-no more

my way is not yours
but I allways did what you want
now I want to leave
I go my own way
but I won't stay allone!

Chorus

I've got to do it and be who I am
I can't stand it any longer
I'm not the girl you think
I want to go the way I dreamed
this is the real me
I gotta show my real me
I still scared to leave the dark
But I won't give up
And I will go on
My live will change
And it's hard to see my world
slowly turn around
I will follow my dream, couse this is my real me!
This is my real me
You will understand me someday
but till then
I will show my real me
I will show my real me
I will show my real me
this is me
