

You were...

Von AidennQueen

Anm.: Heute habe ich das erste Mal Gedichte geschrieben, ohne einen wirklichen Grund dazu haben. Das bedeutet, niemand braucht sich diesmal angesprochen zu fühlen.

(Hab meine Inspiration teilweise aus dem Song "My Immortal" von Evanescence und von einer ganz anderen Quelle, vielleicht kommt ja sogar jemand drauf ^^;)

You were...

More than a brother, more than a close friend
You were made of me, I was made of you
Though so much alike, yet so different
You were deep black and I was dark blue

It could have been so much more in our lives
I still keep reliving this long since gone moments
I still see the fatigue in your crimson eyes
Before you shut them and slipped through my hands

My once carefree spirit has departed me
Since then there's been nothing for me to live for
Our time together was cut short cruelly
To get it back I will now join you once more

I was...
