

You Wanted This

Von Last_Tear

Lullaby

If you wanted a song
written about you
You should ask the stars
Cause you broke my voice
when you've gone

Hey
I can't sing you a lullaby
But I can show you
What I dream at night
and for what I wish when I wake

You're not here anymore
But I can't deny
Your impact on my life
You are still hurting me so much

This is a song you will never hear
because I don't sing anymore
And my words are lost for good

If you wanted a song
written about you
You should ask the stars
Cause you broke my voice
when you've gone

And still I'm missing you

Saying Goodbye
was not the worst part
seeing you leave
broke what was left of my heart

And you wanted me to sing
But you left me choking

My words were all that you took
Without need
