Kapitel 3: Chains

Chains

Sometimes there is the wish to be free
my white wings not in chains and drank in blood
so that I can follow the whisper of the wind.
A free heart, that pierce through the air
like a shining star in the dark.

I wish I had these free wings to fly away...
all the pain left behind in darkness
and a memory, that rests in peace.

The whisper of the wind is calling,
but I can't follow him.
My chains won't broke!
They hold me tight on earth.

As more and more I try to break them...
only my blood is flooding,
drinks the chains and covers them red.
My wounds went deeper and deeper,
but the chains got not even a scratch.

One day, there came an angel,
who was free
and I cried for HELP!
but he didn't noticed me...
Only walked away without looking back.

Finally I realized
that nobody would ever help me
to break through my chains.

I'm alone 'til the day I die...

Love of an angel:

Diesen Song hat Shao für Granny geschrieben, die sie nach ihrer Vergangenheit gefragt hatte. Er drückt sehr viel von ihrem Innern aus. Erst wollte sie ihn nicht veröffentlichen, aber auf das Drängen der restlichen Bandmitglieder ließ sie sich doch dazu überreden. Der Song wurde ein Hit!
