

Opium Dreams

FUCK AND DUCK
SUCK GOOD LUCK
LICK THE STICK
BREAK THE DIG
nothin else
just DESTROY
I'm your toy
MARCHING little soldier
right towards my sun
High, yeah, I'm so high
let's have some, NOW
Who cares about tomorrow.
hve some fun, little toy
SUCK where you can
till blood breaks through
dirty skin
This short moment
I'm so high
It'll never stop

Do you see the colors
some red, some blue
some white
I close my eyes
and open up

don't touch!
I open up

...

and noone's there...
