

# Careless

Von Shiroy\_Haze

See, I can't talk to you  
you won't talk to me  
You lie, cause you don't know  
It's all a matter  
of character

There are to many things  
I want to tell you

I go on your nerves  
and bore you more  
than you could do yourself

I don't want to be alone  
I don't want to think about  
how much I struggle  
about the pain  
and how tired I am.

Yeah, it's boring.  
But it's much better  
than get tortured  
By memories that hunt me  
when you're away.  
When everyones away...

why can't we be honest?  
why can't you tell me how you feel  
and I tell you how I do.

Why is it all so hard?

"If everything was easy,  
It would be very boring, ay?"

It's just the other way round.

I'm sorry.  
But I guess, it's to late.
