

Yendar (Foreign)

Von AidennQueen

Hn... ich denk dass kaum einer damit was anfangen kann.
Gut, das Gedicht soll ausdrücken dass ich mir zu einem bestimmten Thema Gedanken gemacht habe und schließlich zu einem Schluss gekommen bin. Zwischen den letzten zwei Strophen sind zwei Tage vergangen; die dritte hatte ich zuerst gar nicht vor, aber heute sieht das alles ganz anders aus.
Gut, genug gelabert...

Do I know you anymore?
You seem so far away from me

You act so far from what you say
So I will do the same today

I think you have come to your decision
You don't want to see me anymore
Or do you? It still may not be too late
Then hurry up and don't accept fate

Oh, wait. Forget it, no, not this time
Maybe you're right with what you said
About time it was indeed
I give it up, let's call it a quit.

Okay und weil es mir noch alles zu kurz ist, hier noch ein paar Teile von Liedtexten, die mir gerade so schön passend zu meinen Gedanken in letzter Zeit erscheinen.

In spite of the way you were mocking me
Acting like I was part of your property
Remembering all the times you fought with me
I'm surprised it got so far
Things aren't the way they were before
You wouldn't even recognize me anymore
Not that you knew me back then
But it all comes back to me
In the end
I kept everything inside
And even though I tried
It all fell apart
What it meant to me will eventually
Be a memory of a time when
I tried so hard
And got so far
But in the end
It doesn't even matter
I had to fall
To lose it all
But in the end
It doesn't even matter

Our memories
They can be inviting

But some are altogether
Mighty frightening
As we die, both you and I
With my head in my hands
I sit and cry
It's all ending
I gotta stop pretending who we are...
You and me
I can see us dying ... are we?

Rebirth!
I'm shedding my skin
The blood of a thousand men
Is raining down on my past
Nobody cared and nobody asked
Rebirth!
I'm shedding my skin
The words of a thousand men
Are fading into the past
Now I don't care and now I don't ask
